A Message to the Muslim Ummah on the Occasion of Eid al-Adha - 1433

By Ameer Hakimullah Mehsud, May Allah Protect Him

بسم الله الرحمن الرحيم

I seek refuge in Allah from the accursed Satan.

﴿وَاللَّهُ غَالِبٌ عَلَى أَمْرِهِ وَلَكِنَّ أَكْثَرَ النَّاسِ لَا يَعْلَمُونَ﴾

"And Allah hath full power and control over His affairs; but most among mankind know it not." (Yusuf: 21)

O youths, sheikhs, brothers, mothers, and sisters of our proud Ummah.

As-Salaamu Alaikum Warahmatullahi Wabarakaatuhu.

On this blessed day corresponding to 26 October 2012 , I congratulate the Muslim Ummah and the zealous Muslims in Pakistan on the occasion of Eid.

Dear brothers:

The Islamic world is facing today challenges and disasters the likes of which have never been seen before in history. The disbelievers have consistently oppressed the Muslim Ummah and attacked it for several decades, but they failed to discourage it or break its morale. Even when they launched a campaign to eliminate Muslims and Mujahideen in some areas, it resulted in the spring of Islam and Jihad all over the world. Those

oppressors began to launch attacks on the rituals of Islam in an attempt to destabilize our faith and our creed. Sometimes, they test our morale by throwing the Qur'an in the trash. Other times, they shout at our zealous faith through burning this Great Book and tearing it apart. And sometimes they burn our hearts by drawing abusive cartoons for the most honorable character in the universe, may Allah's prayers and peace be upon him. But now, injustice is reaching its limits through formally producing the film abusing the honor of the Prophet, may Allah's prayers and peace be upon him.

Dear Muslim brothers:

The reaction of the secularist Pakistani rulers towards this heinous crime of the cross worshipers and the Jews appeared in the form of attempts to amend blasphemy laws (that are related to insulting the Prophet), and sometimes appeared in their efforts to release the girl who offended the honor of the Prophet, may Allah's prayers and peace be upon him.

The Pakistani secular media who pretend to appear as Islamic are taking two steps forward in the issue of insulting the Prophet and in the issue of insulting the Qur'an. They are also defending the abusers, justifying their crimes, and are using some small events to launch random malicious propaganda against the Islamists and the Jihadists. But in fact, they are following one system. They are publishing false statements in order to keep Muslims away from Islam. Other times, they kill the Mujahideen leaders in dreams in an attempt to sow division among Muslims and Mujahideen. That is wishful thinking. We must have high intentions and fight them with firmness.

I want to tell the people that the notorious Pakistani intelligence ISI is the one who is launching attacks and bombings among Muslims in order to cause divisions between the Muslims and the Mujahideen. So before taking any decision, you must wait for the statement of Taliban concerning it.

Dear brothers and friends: This tyrant, secular regime hangs over us and you. It is the one who encouraged the disbelievers and chained our hands. This regime is the one who protects all kinds of infidelity. O youth of the Muslim Ummah! Rise up and uproot that tyrant regime and share the effort with us in order to restore the Caliphate.

Was-Salaamu Alaikum Warahmatullahi Wabarakaatuhu.
